- Ultra-fine point.
- Plastic barrel with (triangular) ergonomic section.
- Non-choke cap.
- Perfect for writing.

X-Ray

- 0,5 mm. mechanical pencil.
- Retractable metal point.
- Ergonomic grip.
- Innovative lateral graphite advance design.
- Non-smear eraser slides smoothly and lasts 3x as long as standard erasers.
- Perfect for writing on bond paper, light-gauge cardboard, eggshell and tracing paper.

Corty Products

Cutters

Large Arrowhead Cutter 5000

- Recyclable, double injection polystyrene with enhanced soft-grip.
- Ergonomic design plus arrowhead cutting support and guide.
- Rare-blade cutter.
- Pull-back safety activates security feature.
- Steel blade keeps edge; pre-cut for easy blade removal.
- Ideal for cutting paper, plastic and light-gauge cardboard.

Large Cutter 5500 (heavy-duty)

- Recyclable, double-injection polystyrene with enhanced soft-grip.
- Metal core, ergonomic design plus arrowhead cutting support and guide.
- Rare-blade cutter.
- Pull-back safety activates security feature.
- Steel blade keeps edge; pre-cut for easy blade removal.
- Ideal for cutting paper, plastic and light-gauge cardboard.

Medium Size Cutter 4000

- Recyclable polystyrene.
- Ergonomic design.
- Rear-blade cutter.
- Pull-back safety activates security feature.
- Steel blade keeps edge; pre-cut for easy blade removal.
- Ideal for cutting paper, plastic and light-gauge cardboard.

Metallic Cutter 3300

- Cutter in nickel-plate.
- Automatic safety.
- Steel blade keeps edge; pre-cut for easy blade removal.
- Ideal for cutting paper, plastic and light-gauge cardboard.

Small Metal Core Cutter 3500

- Recyclable, double-injection polystyrene with enhanced soft-grip.
- Metal core, ergonomic design plus arrowhead cutting support and guide.
- Automatic safety.
- Switchblade-style hanging hook.
- Steel blade keeps edge; pre-cut for easy blade removal.
- Ideal for cutting paper, plastic and light-gauge cardboard.

Small Plastic Cutter 3000

- Recyclable polystyrene. -
- Ergonomic design.
- Pull-back safety activates security feature.
- Steel blade keeps edge; pre-cut for easy blade removal.
- Ideal for cutting paper, plastic and light-gauge cardboard.

Cutters and Blade Holders

Corty Large Blades

- Large steel blades.
- Pre-cut for easy blade removal.
- 7 1 cm segments 18 mm wide.
- Refills Corty 4000, 5025, 5125, 5500 and 5600 .
- Ideal for cutting paper, plastic and light-gauge cardboard.

Corty Small Blades

- Small steel blades.
- Pre-cut for easy blade removal.
- 12 5 mm segments 9 mm wide.
- Refills Corty 3055, 3300, 3500 and 3600.
- Ideal for cutting paper, plastic and light-gauge cardboard.

Grip Unifilo Blade Holder 3120

- ABS plastic Blade Holder.
- With enhanced soft-grip.
- Unifilo steel blades.
- With safety lock to hold the blade.
- Interchangeable blade.
- Ideal for cutting paper, plastic and light-gauge cardboard.

Unifilo Blade Holder 3111

- Roller plate steel Blade Holder.
- Unifilo steel blades.
- Protective case for when not in use.
- Interchangeable blade.
- Ideal for cutting paper, plastic and light-gauge cardboard.

Unifilo Blades 3110

- Steel blades.
- Ideal for cutting paper, plastic and light-gauge cardboard.

Kinera Products

Binders

Binder

- Made of 100-point cardboard.
- Polypropylene cover.
- Two interior pockets.

Crystal cover Binder

- Made of 100-point cardboard.
- Polypropylene cover.
- Two interior pockets and crystal covers.

EasyPrint Business Card Templates

- Business card templates.
- For inkjet or laser printers.
- Available EasyPrint App at www.azor.com.mx for easier printing and design.

Sheets Protectors

Business Cards Protectors

- Polypropylene sheets for business card filing.
- Lateral perforations for ring binders and archive boxes.

Business Cards Protectors Binder

- Polypropylene sheets for business card filing.
- Crystal sleeve binder with recyclable polypropylene sheets for business card filing.

Guarda Heavy-duty Sheet Protectors

- Crystalline polypropylene protectors.
- 1 cm Reinforced perforated polypropylene strip for binder use.
- Winder for greater capacity.
- Non-stick surface that avoids document adhesion.
- Sheets do not lift printed image and easy insert sheets.
- Perfect for perserving catalogues, magazines, etc.

Guarda Sheet Protectors

- Crystalline polypropylene protectors.
- 1 cm Reinforced perforated polypropylene strip for binder use.
- Non-stick surface that avoids document adhesion.
- Sheets do not lift printed image and easy insert sheets.

Index Business Cards Protectors

- Polypropylene sheets for business card filing.
- Side index tabs.
- Lateral perforations for ring binders and archive boxes.

Kinera Heavy-duty Sheet Protector

- Transparent polypropylene protectors; orange peel texture.
- 1 cm Reinforced perforated polypropylene strip for binder use.
- Winder for greater capacity.
- Non-stick surface that avoids document adhesion.

- Sheets do not lift printed image.
- Easy-insert sheets.
- Perfect for preserving catalogues, magazines, etc.

Kinera Light Sheet Protectors

- Transparent polypropylene protctors.
- 1 cm reinforced perforated polypropylene strip for binder use.
- Non-stick surface that avoids document adhesion.
- Sheet do not lift printed image.
- Easy-insert sheets.

Kinera Protecto Index Sheet Protectors

- Crystalline polypropilene protectors.
- 1 cm Reinforced perforated polypropylene strip for binder use.
- High-resitance crystal film.
- Non-stick surface that avoids document adhesion.
- Sheet do not lift printed image.
- Easy-insert sheets.

Kinera Sheet Protectors

- Transparent polypropylene protectors.
- 1 cm Reinforced perforated polypropylene strip for binder use.
- Non-stick surface that avoids document adhesion.
- Sheets do not lift printed image; easy-insert sheets.
- Available in letter and legal size.

Mi-K Document Protectors

- Polypropylene protectors, 100% recyclable, with non-stick surface that avoids document adhesion.
- Acid-free, easy-insert leaves do not lift printed image.
- Perfect for document preservation.
- Sizes: 6.3 x 9.2 cm., 7.2x 11.1 cm., 8.5x 11.5 cm., 11x 15.5 cm., 11.5x 16 cm., Ticket: 15x2 cm., Certificate: 15x25 cm., Menu Cover: 22x29 cm. and Report: 22x29 cm.

Photograph Protectors

- Durable polypropylene protectors.
- Side eyelets for binder storage.
- Acid free for enhanced photo conservation.

Lefort Products

Clipboards

I-Clip Clipboard

- 3.5 mm high density Fibracell clipboard.
- Durable steel I-Clip that collapses for space saving.
- I-Clip features a rubberized tab that serves as a lever clip.
- Capacity: 100 75 gram bond pages.
- Size: short letter, letter and legal.

Metallic Clip Aluminium Clipboard

- Durable aluminium clipboard.
- Metallic clip.
- Plastic fasteners at the corners.
- Capacity: 100 75 gram. bond pages.
- Size: letter.

metallic Clip Fibracell Clipboard

- 3.5 mm high density fibracell clipboard.
- Durable nickel-plated metal clip.
- Ideal for heavy-duty use.
- Capacity: 25075 gram bond pages.
- Sizes: Short letter, letter and legal.

Lever Arch Files

Classic Lever Arch File

- Reinforced spine lever arch file offers enhanced durability.
- Marbled gray interior lining; green marbled exterior lining.
- Complete, European style slide bar; does not scratch furnishings.
- Balance lever.
- Nickered steel spine hole.
- Capacity for 400 75 gram. bond pages.
- Sizes: memo, short letter, letter and legal.

Color Lever Arch File

- Reinforced spine lever arch file offers enhanced durability.
- Perfect-close eyelet.
- Complete, European style slide bar; does not scratch furnishings.
- Balance lever.
- Nickered steel spine hole.
- 100% unbleached paper, with environmentally-friendly inks
- Capacity for 400 75 gram. bond pages.
- Sizes: letter.

Ecologic GoGreen Lever Arch File

- 100% unbleached paper archive, with environmentally friendly inks.
- Reinforced spine archive box offers enhanced durability and Perfect-close eyelet.
- Attractive design with Balance lever.
- Nickered steel spine hole.
- Complete, European style slide bar; does not scratch furnishings.
- Capacity for 400 75 gram. bond pages.
- Sizes: letter.

ImperPro Lever Arch File

- Lever arch file with interior lining and washable exterior.
- Perfect-close eyelet.
- Spine see-through window for replaceable cards.

- Complete, European style slide bar; does not scratch furnishings.
- Balance lever.
- Nickered steel spine hole.
- Capacity for 400 75 gram. bond pages.
- Sizes: letter.

Pegaso Products

Assorted Items

Azor Pencil Sharpener

- Manual pencil sharpener for 8mm diameter pencils.
- Metal clip pencil holder and spin-handle sharpening mechanism.
- Plastic shavings container.

Card Keeper 400

- Front and rear recline for enhanced placement.
- Made-out of steel.
- Dimensions: 17cm (large) x 11.5cm (wide) x 7cm (high).
- Capacity for 400 cards.

Foliador 600F

- Metallic numerical stamp.
- Made-out of chromed metal.
- Automatic inking after every impression.
- 6 digits.
- Repets up to 12 times the same number.

Foliador 800F

- Metallic numerical stamp.
- Made-out of chromed metal.
- Automatic inking after every impression.
- 8 digits.
- Repets up to 12 times the same number.

Guillotinas 21412

- Paper trimmer made-out of steel.
- Plastic guide to keep sheets aligned.
- Stainless steel blade.
- Dimensions: 21412: 14"x12.2" A4 size.

- 10 75 gram bond pages.

Guillotinas 21614

- Paper trimmer made-out of steel.
- Plastic guide to keep sheets aligned.
- Stainless steel blade.
- Dimensions: 21614: 16"x14.5" B4 size.
- 10 75 gram bond pages.

KW 953PD Discs

- Replacement discs for punches KW 952 and KW 953 punches.
- Made out of ABS plastic.

KW953CD Awl

- Replacement punches for KW 953 and KW 953 punches.
- Made out of tempered steel.

Pegaso 1700P

- Portalibros fabricado en lámina de acero.
- Base de goma antiderrapante.
- Elegante diseño.
- Tamaño: 6"

Pegaso 1920

- Electric pencil sharpener.
- Made-out of steel and plastic.
- Removable shavings bin.
- Non-skid rubber feet.

Pegaso 1930

- Electric pencil sharpener.
- Made-out of steel and plastic.
- Removable shavings bin.
- Non-skid rubber feet.

Pegaso 501

- Ergonomic design for extra comfort.
- Made-out of high-impact plastic and nickered metal.
- Ideal for standar staples removal 26/6, 24/6 y 10.

Pegaso 50M

- Metallic snaps of 8 cm.

Pegaso Silver 5016G

- Standar staples 26/6.
- Made-out of steel wire.
- Chisel tip for enhanced fasten.
- 5016-pieces box.

Paper Punchers

KW 952

- Heavy-duty paper puncher made-out of steel.
- Plastic base with non-skid rubber feet.
- Long handle for easy perforation and enhanced comfort.
- Binds papers at each cutter side for enhanced precision.
- Punch paper collector.
- Tempered steel punches.
- 2 holes with 8 cm. in between.
- 150 75 gram bond pages.

KW 953

- Heavy-duty paper puncher made-out of steel.
- Plastic base with non-skid rubber feet.
- Long handle for easy perforation and enhanced comfort.
- Punch paper collector.
- Tempered steel punches.
- Binds papers at each cutter side for enhanced precision.
- 3 holes with 8 cm. in between.
- 150 75 gram bond pages.

Lever Tech 340

- Heavy-duty paper puncher made-out of steel.
- Plastic base with non-skid rubber feet.
- Upper rubber padding for enhanced support.
- Punch paper collector.
- Silent operating technology reduces force by 50%.
- 2 holes with 8 cm. in between and 3 holes with 10.8 cm. in between.
- 40 75 gram bond pages.

Pegaso 1009

- Plastic paper puncher.
- Made-out of steel and plastic.

- Ergonomic design.
- Plastic base with non-skid rubber feet.
- Punch paper collector.
- 2 holes with 8 cm. in between.
- 7 75 gram bond pages.

Pegaso 1808

- Medium metallic paper puncher.
- Made-out of steel.
- Plastic base with non-skid rubber feet.
- Upper rubber padding for enhanced support.
- Punch paper collector.
- Adjustable ruler guide for different paper sizes.
- 2 holes with 8 cm. in between.
- 25 75 gram bond pages.

Pegaso 1809

- Large metallic paper puncher.
- Made-out of steel.
- Plastic base with non-skid rubber feet.
- Upper rubber padding for enhanced support.
- Punch paper collector.
- Adjustable ruler guide for different paper sizes.
- 2 holes with 8 cm. in between.
- 25 75 gram bond pages.

Pegaso 2708

- Metallic paper puncher.
- Made-out of steel.
- Plastic base with non-skid rubber feet.
- Reinforced punches.
- Punch paper collector.
- 2 adjustables holes to 7 and 8 cm. in between.
- 20 75 gram bond pages.

Pegaso 2800

- Metallic paper puncher.
- Made-out of steel.
- Plastic base with non-skid rubber feet.
- Punch paper collector.
- Adjustable ruler guide.
- Tempered steel punches.
- 2 holes with 8 cm. in between.

- Metallic paper puncher made-out of steel.
- Ergonomic and elegant design.
- Upper rubber padding for enhanced support.
- Plastic base with non-skid rubber feet.
- Punch paper collector.
- Paper guide.
- 2 holes with 8 cm. in between.
- 27 75 gram bond pages.

Staplers

Lever Tech 228

- Heavy-duty stapler.
- Made-out of plastic.
- Ergonomic design.
- Upper rubber padding for enhanced support.
- Non-skid rubber base.
- Silent operations technology.
- Uses a full-strip of standard staples 26/6.
- Staples up-to 20 75 gram bond pages.

Pegaso 100

- Chrome-plated stapler, high resistance, opens wide.
- Made-out of steel.
- Non-skid rubber base.
- Uses a full-strip of standar staples 26/6.
- Staples up-to 25 75 gram bond pages.

Pegaso 204

- Durable metallic stapler.
- Made-out of steel.
- Upper rubber padding for enhanced support.
- Non-skid rubber base.
- Uses a half-strip of standard staples 26/6.
- Staples up-to 20 75 gram bond pages.

Pegaso 206

- Metallic stapler.
- Made-out of steel.
- Upper rubber padding for enhanced support.
- Non-skid rubber base.
- Uses a full-strip of standard staples 26/6 and 23/6.
- Staples up-to 20 75 gram bond pages (26/6).

- Staples up-to 60 75 gram bond pages (23/6).

Pegaso 218

- Durable metallic stapler.
- Made-out of steel.
- Ergonomic design.
- Non-skid rubber base.
- Uses a half-strip of standard staples 26/6.
- Staples up-to 20 75 gram bond pages.

Pegaso 219

- Durable metallic stapler.
- Made-out of steel.
- Ergonomic design.
- Non-skid rubber base.
- Uses a full-strip of standard staples 26/6.
- Staples up-to 20 75 gram bond pages.

Pegaso 222

- Plastic stapler.
- Made-out of ABS plastic.
- Ergonomic design.
- Non-skid rubber base.
- Uses a half-strip of standard staples 26/6.
- Staples up-to 20 75 gram bond pages.

Pegaso 232

- Plastic stapler.
- Made-out of steel and plastic.
- Ergonomic design.
- Non-skid rubber base.
- Uses a full-strip of standard staples 26/6.
- Staples up-to 20 75 gram bond pages.

Pegaso 240

- Metallic stapler.
- Made-out of steel.
- Upper rubber padding for enhanced support.
- Non-skid rubber base.
- Uses a full-strip of standard staples 26/6.
- Staples up-to 30 75 gram bond pages.

Saeta 50

- Durable chrome-plated stapler.
- Made-out of steel.
- Non-skid rubber base.
- Uses a full-strip of standard staples 26/6.
- Staples up-to 25 75 gram bond pages.

Sablón Products

Assorted Items

Cosmetic Wacky

- Middle removable tray.
- Removable divisions.
- With mirror.
- With handle to transport.
- Made-out of polypropylene (recyclable material).

Dustpan

- Ergonomic.
- With lid to prevents garbage go out.
- Aluminium handle.
- Made-out of polypropylene (recyclable material).

Economic Mask

- Made-out of Pet.
- Heads foamy support.
- Elastic band.
- Washable and reusable.
- Extended size: 31x23x28 cm.
- Buildable: includes mask, foamy, elastic band, instructive and individual bag.

Identifier Keychain

- With labels.
- With metallic ring to hang.
- Made-out of polypropylene (recyclable material).
- Available with or without keychain holder.

Ring Keys Identifier

- Flexible.
- Assorted color to easier identify the keys.

- Made-out of PVC.

Treppe Stair-Bench

- With wheels.
- System which prevents it from moving.
- Armable.
- With 2 high levels.
- Anti-skid surface.
- Available made-out of plastic or metal.

- Middle removable tray.
- Removable dividers.
- With mirror.
- With handle to transport.
- Made-out of polypropylene (recyclable material).
- Available wit or with out first aid kit.

Wacky Tools

- Removable divisions.
- With handle to transport.
- Made-out of polypropylene (recyclable material).

Badge Holder

6x9 cm. Badge Holder

- It can be use horizontal or vertical.
- With easy badges insert system.
- Made-out of styrolux.
- Available with badge holder alligator, retractable yoyo or cordon.

7x11 cm. Badge Holder

- It can be use horizontal or vertical.
- With easy badges insert system.
- Made-out of styrolux.
- Available with badge holder alligator, retractable yoyo or cordon.

Badge Holder Alligator

- With metallic clamp which do not damage clothes.
- Metallic system for durability.
- With press stud.
- Large: 8 cm approximately.

Badge Holder Cordon

- With metallic hook to hang.
- Made-out of cloth.
- Large: 51 cm. approximately.

Retractable Badge Holder Yo-Yo

- Retractable.
- Size: diameter 8x3 cm.

Clipboards

Aluminium Clipboard with Metallic Clasp

- Resistant metallic clasp.
- Aluminium surface.
- Centimeter and inches graduated.
- With resistant eyelet to hang.
- Textured back side for a better support.
- Letter size.

Aluminium I-Clip Clipboard

- Resistant I-Clip clasp.
- Aluminium surface.
- Centimeter and inches graduated.
- With resistant eyelet to hang.
- Textured back side for a better support.
- Letter size.

Clipboard with Vinyl Surface

- Resistant plastic clasp clipboard.
- With vinyl surface for writing.
- Includes a [Fine Point Magistral Didactic](#) dry erase marker.
- Letter size.

I-Clip Clipboard

- Clipboard for letter and legal paper.
- With resistant I-Clip clasp.

Metallic Clasp Clipboard

- Clipboard for letter and legal paper.
- Resistant metallic clasp.

Mini Clipboard

- Resistant I-Clip clasp.
- With pencil or pen holder.
- Mini size.

Plastic Clasp Clipboard

- Clipboard for letter and legal papers.
- Resistant plastic clasp which holds pencil or ballpen.

Desktop In Boxes

Desk Tray Laterals

- Desk tray laterals kit.
- For stacking sablon desk trays.
- Made-out of styrene.

Euroline Desk Tray

- Stackable.
- With insert to identify levels.
- Non-stick surface.
- Anti-skid bases.
- Legal and letter size.
- Available of: 2 and 3 levels.
- Made-out of styrene.

Lateral Sablon Desk Tray

- Anti-skid bases.
- Stackable.
- Lateral entrance.
- Legal size.
